THE ULTIMATE GUIDE TO ALL MAJOR
INTERNATIONAL TRADE SHOWS

London Collections Men

London kick-starts the international menswear calendar with *London Collections Men*, a biannual showcase celebrating the best of British menswear. *London Collections Men* emphasises both the creative and commercial importance of Britain's brands and emerging talent as well as the rich cultural landscape that contributes to the inspiration and success of this sector.

Scoop London

Scoop will return to its original home, the Saatchi Gallery in Chelsea, next season. After the last edition took place at London's Old Billingsgate Market, Scoop created an international design-led and London based exhibition for niche designers: one where labels do not have to battle one another for attention and where the diverse brand offering guarantees visitors something they have not seen elsewhere. Today Scoop has become a key destination for showcased over 250 international contemporary designers.

KEY FACTS
